1. Welcome from your Teaching Team

We're delighted that you are coming to join us in September as part of the BA Youth and Community Work programme, leading to professional qualification as a Youth and Community Worker. Our course is part of the School of Education and Social Policy. We are committed to the theory and practice of youth and community work set within the context of holistic informal learning experiences and a focus on social education, participation and empowerment.

In this short introduction pack we have included details of the Induction Week, online enrolment, timetables and the fieldwork placement. There is also some useful preliminary reading. We hope you find it useful.

We have an Induction Programme planned for the week of 16-20 September which will include Freshers Fayre and METFest events. We will be keen to put faces to names again and there will be lots of opportunities to get to know your fellow students and the tutor team. Your first day at university will be Monday 16 September and members of the team will meet you in the Main Reception area of the Cyncoed Campus at 9.45am.

In the meantime should you have any queries about the programme, please contact me, Gill Price, on 029 2041 7247 and by email: gprice@cardiffmet.ac.uk or Louise Cook on 029 2020 5947 and by email: lcook@cardiffmet.ac.uk and we'll be happy to help. If you can't get hold of us drop an email to our colleagues in the Programme Support Team ccprogadmin@cardiffmet.ac.uk and they'll answer your questions or pass you on to one of my colleagues in the Youth and Community Work team.

See you soon!

Gill Price

Programme Director – BA (Hons) Youth and Community Work

2. Pre-enrolment Conditions

Before enrolling on the programme all students must have completed the DBS process.

DBS Check

The Disclosure and Barring Service is a Government organisation which helps to prevent unsuitable people from working with children and vulnerable adults.

All prospective students will obtain an Enhanced Disclosure through the Disclosure and Barring Service (DBS), prior to enrolment on the programme. Where a problem is identified the results of the disclosure will be referred to a panel for consideration and the prospective student advised accordingly. Students applying for the programme, where Britain is not their country of origin, must provide this information through a comparable source from their home country prior to enrolment.

All students must also complete a Cardiff Met Self Declaration form annually regarding criminal convictions.

Further information on DBS and how to complete the process online can be obtained by following this link: www.cardiffmet.ac.uk/dbs

In the case of part-time students Cardiff Metropolitan University does not take responsibility for DBS checks, this is a matter for part-time students and their employing organisations. Part-time students' employers are required to affirm in writing that the student has a current and valid DBS form as part of the placement contract process.

3. Summer Tasks / Pre-induction Tasks / Work Experience

Professional Experience:

Applicants should have a minimum of 100 hours recent and relevant professional experience in the field of youth work or a closely related profession, verifiable via production of a reference from an appropriately qualified youth and/or community work practitioner. If you need any help to identify a suitable volunteering experience prior to university entry, please contact Louise Cook on 029 2020 5947 or lcook@cardiffmet.ac.uk. Alternatively, another member of the team on one of the telephone numbers or emails detailed in Section 1.

Preliminary Reading:

REFERENCING

This is an essential part of writing essays, reports and any other form of presentation you may use. We use the Harvard Referencing method, which some of you may be familiar with. Cardiff School of Education and Social Policy has adopted Cite Them Right as its standard referencing guide. Here is the reference:

Pears, R. & Shields, G. (various editions) *Cite Them Right: the essential guide to referencing and plagiarism*.

There are various paper editions and an online version available from Cardiff Met Libraries.

We strongly recommend that you purchase Cite Them Right (2019 - 11th edition) as demand from the Library is very high once term starts – it costs around £13.99 recommended retail price but may be available cheaper.

4 Enrolment / Student MetCard Collection

Enrolment is an important process which confirms your status as a Student. You can complete the online self-enrolment process from any computer through our Self Service system. Please note that in order to self-enrol; your status must be Unconditional Firm (UF) and your Enhanced DBS check cleared and verified by Admissions.

You will receive an email notifying you when you are eligible to enrol online. The email will direct you to a password reset facility in order to request a password to be able to login and complete the enrolment process. For information and guidance on this process please make sure you visit our enrolment page – www.cardiffmet.ac.uk/enrolment.

This process is essential in that it will allow you access to your student loan (if applied for), payment of fees, Cardiff Met's IT systems and importantly enable you to obtain your Student MetCard.

The Programme Handbook will be available from Induction Week onwards.

Enrolment for International Students from outside the EU

If you are an international student (from outside the EU) you **will not** be required to enrol online before arriving at Cardiff Met. This is because it is a legal requirement for the university to check immigration documents of international students before they are permitted to enrol onto their courses. For more information about international student enrolment and a list of documents you will need to bring with you, please access the [international student pages](#) or contact the Immigration Compliance Team at immigrationregs@cardiffmet.ac.uk Tel: 029 2041 5644

Library & Information Services

You will have access to Cardiff Met's Library & Information Services soon after completing your online enrolment. A confirmation email will be sent to you with your Cardiff Met login details. To see the facilities and services available, please refer to www.cardiffmet.ac.uk/library.

Your Student MetCard

If you haven't managed to enrol or you don't have your MetCard then the Youth & Community Work (YCW) team will support you to address any enrolment issues and collect your MetCard during **Induction Week**. Your MetCard gives you access to all main campus buildings and doors. You can also add money to your MetCard to be able to access and pay at the self-service printers, copiers and Print Studio services. For further benefits of MetCard please [click here](#).

Fees

For full-time students your programme fees for September 2019 entry have been set at £9,000. For part-time students please see the Cardiff Met website and talk to a member of the YCW team about credits per academic year. http://www.cardiffmet.ac.uk/study/finance/Documents/2019-20_Fee_Tables.pdf If your programme has any additional costs attached to it, they will be listed on www.cardiffmet.ac.uk/additionalcosts. You should already be aware of these costs

5. Induction Week Timetable

Induction Week: 16-20 September (5 days)

Your first semester as a new student starts with Induction Week, where you will settle into your accommodation (if applicable), course and student life. Your Induction Week timetable is a schedule of events designed to familiarise you with Cardiff Met, its facilities and your fellow students. You will be given the chance to attend a range of events covering your course, library services, IT, student services and students union. You will also meet, and have a number of sessions, with the YCW programme team and your personal tutor to make your academic transition as smooth as possible.

There is the Freshers Fayre on Wednesday where you can sign up to a number of different societies and clubs, as well as the MetFest social events on Friday.

Don't forget to get involved on Twitter with we are #cardiffmet.

If you are new to Cardiff, there will also be plenty of opportunities for you explore the city, make new friends and settle into your new life.

Induction is a big occasion on campus and everyone gets involved. Don't be afraid to stop and ask - all of the staff and students are happy to welcome anyone new on campus.

Your events and confirmed Induction timetable are currently being finalised and will be uploaded as a separate document on our [New Students](#) pages for you. However, please note that Induction Week begins on Monday 16 September. Members of the programme team will meet you in Main Reception on the Cyncoed Campus at 9.45am on the Monday.

6. Draft Timetable / Typical Attendance

University Studies

The university study pattern for Level 4 (Year 1) is as follows:

Full-time students - lectures are on Tuesdays & Wednesdays

Part-time students - lectures are on Wednesdays only

So, the first week of lectures / tutorials:

Full-time students: Tuesday 24 Sept and Wednesday 25 September

Part-time students: Wednesday 25 September

All lectures and tutorials are delivered on the Cyncoed Campus.

Detailed timetables and study patterns will be presented and discussed during Induction (16-20 September). Please note that finishing dates will vary between year groups. Most year groups will finish during May. Please check with your lecturers for further information.

NB: Timetables are subject to change, right up to and including the start of term.

As a first year student, you will have access to your confirmed timetable from Induction Week, which is prior to the first week of teaching. Please note that you will need to be enrolled before you can access this information. If your place has been confirmed but you have not been notified that you can enrol, please contact Admissions on what to do next.

Placement

It is important to remember that, alongside your university based studies at Level 4, all students will need to undertake a concurrent 200-hour placement.

When studying on the degree programme the work placement is a very important part of your experience on this programme, and it is very important that we get it right. We will help you find a placement if you don't have one or have difficulty finding one. There will be an opportunity to discuss placements during Induction with your Professional Tutor and other members of the programme team. In addition, this will be a focus of the tutorials throughout the academic year. Also, there is an opportunity to meet with youth and community providers regarding potential placements as part of the Placement Fair on Thursday 10 October. Please make sure you keep this day free. If you have an idea for a placement already, that's great – just let us know.

Your work placement must be agreed by one of the Cardiff Met tutors. In particular, we will need to make sure the placement is appropriate in terms of the work experience offered and the learning support provided; for example, the person supporting you in the placement should ideally be a professionally qualified youth and community worker.

7. Progression Information – Foundation Students
