**Cardiff Met Dragon Camps operate during the Easter and Summer holidays and are open to boys and girls aged 4 years - 14 years.**

The multi activity programme is managed and coordinated by our large body of qualified teachers and sports students who aim to provide each and every child with a safe and rewarding experience.

Dragon Camps encourage children to remain active, to develop basic sports and art skills, to interact with new friends and most importantly to be part of a programme that promotes a healthy and active approach to life.

Each child is given the opportunity to select from a vast range of activities to stimulate their physical, emotional, social, creative and intellectual needs and capabilities. Dragon Camps activities are programmed in recognition of the vast and diverse needs of all children attending.

Activities are designed with due regard to each child's gender, religion, race and medical condition. For the Under 8's group,

additional events are planned in recognition of significant calendar events. Themes will include Special Birthdays, National Days, Seasonal festivals, 'A Day in History', Fancy Dress, Healthy Eating days, and any other relevant and appropriate themes.

Dragon Camps operates solely within the grounds of the Cyncoed Campus. Activities utilise the following sports facilities; The National Indoor Athletics Centre (NIAC), Indoor Tennis Centre, Sports Hall, Syd Aaron Gymnastics Hall, Russell Rees Gymnasium, Dance Studio, Outdoor Athletics Track, Swimming Pool (Over 8's only), Astroturf, Football, Rugby Pitches and Archers Arena.

Dragon Camps provides a catering facility which offers both hot and cold meals. Parents are requested to pre book hot meals well in advance of their child attending camp. A list of meals is provided on the booking sheet at the back of this booklet.

Dragon Camps staff are employed to instruct all activities in English, however some staff members may speak incidental Welsh.
