

## DURATION

The Duration of mobility depends upon both the direction and academic level of mobility. However, the project aims to be flexible and therefore offers its scholars study options ranging from one semester to 10 months. To find out what scholarship durations are on offer to you, please visit [www.eu-metalic.eu](http://www.eu-metalic.eu)

Type of mobility	Duration
Doctorate exchange	6-10 months
Post-Doctorate Exchange	6-10 months
Academic Admin/Staff	1-3 months

With a wide range of academic disciplines across a selection of prestigious universities, EU-METALIC offers new academic challenges whilst exploring new countries and cultures.

For full details on the project including eligibility, application forms and contact details for the contact person at your university.

Please visit [www.eu-metalic.eu](http://www.eu-metalic.eu).

**We look forward to receiving your application.**

EU | Morocco | Egypt | Tunisia | Algeria | Libya  
International Cooperation

## INTRODUCTION

### What is EU-METALIC?

EU-METALIC: EU-Morocco-Egypt-Tunisia-Algeria-Libya International Cooperation is an Erasmus Mundus Action 2 Project which provides funding for student & staff exchange mobility between North Africa and the EU. With a wide range of subject areas available, the project may be the next step you are looking for whatever your field of expertise.

### About the scholarships

The scholarships are very comprehensive and cover participation fees, return travel, insurance and living subsistence.

### Are you eligible?

Full details on eligibility can be found on the project website. If you meet the criteria of the eligibility section you can complete the application online at [www.eu-metalic.eu](http://www.eu-metalic.eu)

### When to apply

Apply online between August 24th 2015 until October 8th 2015 23:59PM via the EU-METALIC Project website.
