CARDIFF SCHOOL OF SPORT & HEALTH SCIENCES In September 2017 the Cardiff School of Sport and Cardiff School of Health Science merged to become one school. The school is being developed to offer state of the art facilities solely devoted to sport and health sciences. Initially based across both the Llandaff and Cyncoed campuses, the University will continue to invest in state-of the-art facilities at the Cyncoed campus solely devoted to sport and health science. The new School will continue to develop its current expertise, whilst also developing new synergies between sport and health.

The Cardiff School of Sport has an international reputation for the quality of its learning and teaching, research and professional practice. The school offers some of the best and most popular sport related courses in the UK, all designed to make our graduates highly employable with a balanced portfolio of professional, practical and academic knowledge and skills. The courses are designed to include an attractive mix of theoretical, practical and laboratory-based opportunities to learn.

Our specialist courses are coupled with access to top academic facilities such as; a performance analysis lab, physiology labs, a biomechanics lab, a strength and conditioning room and massage teaching rooms. On top of the academic facilities, students have access to high quality sports facilities on campus including NIAC (National Indoor Athletics Centre) - the first purpose built indoor athletics track in the UK

Our International Student Welfare officers will *support and help you throughout* your time at Cardiff Met. Our *highly trained* staff provide advice about all aspects of studying and living in the UK, including visa enquiries and accommodation advice. *These services are free* and provided to help our students adjust to British culture and to *feel part of the community*.

**ACCOMMODATION** Cardiff offers a wide range of accommodation options to students studying in the city. Within Cardiff Met, we have two Halls of Residence with individual self-catered rooms with private bathrooms and shared kitchens. There is also a good selection of privately owned accommodation available in the city, for more details about your options please visit our website.

**GETTING AROUND CARDIFF** The Cardiff Met Rider is the University's bus service and that offers transport between all campuses and all main student halls and private accommodation areas. It runs Monday to Friday from 8am to 10pm throughout the academic year and allows students to travel safely through the city day and night.

**ACCOMMODATION COST GUIDE** Accommodation fees vary according to the type of accommodation, where the accommodation is located and whether bills are included.

ACCOMMODATION TYPE	APPROXIMATE COST PER MONTH
University Halls	£470 bills included
Private Halls	£480-£680 bills included
Privately rented accommodation	£200-£350 plus bills

The minimum cost of living as recommended by UKVI for studying outside London is £1,015 per month. This estimate include accommodation, food, books, clothes, travel, telephone and social expenses.

Cardiff is one of the most affordable cities for students in the UK.

AIRPORT WELCOME SERVICE In order to make your first arrival to the UK as easy and safe as possible, we offer an airport welcome service to all new students arriving at London Heathrow on selected dates. Our staff will meet you within the airport arrivals terminal and escort you by coach back to Cardiff.

INDUCTION PROGRAMME Settling into university life can be rather daunting for students arriving in the UK, particularly for the first time. For this reason our Student Advice Centre organise a comprehensive induction programme to welcome our students, to make your first few weeks in Cardiff and the University as easy as possible. Our induction programme allows students to meet one another, key members of the University staff and you will be taken on a tour of Cardiff. There is also an extensive social schedule throughout the year including events, parties and visits to other UK cities such as Bath and London.

VISA SUPPORT We have a dedicated team of staff who are fully trained in Tier 4 visas. We are able to offer advice and guidance to students about their study visa. We also assist students with their visa applications when applying within the UK.

#### **INTERNATIONAL ACADEMIC ADVICE** The

International Academic Advisors offer classes for small groups and individual tutorials for international students on various topics to help them adapt to university studies in the UK. The advisors also offer academic English practice classes which give international students the opportunity to develop their listening, speaking, reading and writing skills in a friendly and supportive environment.

#### STUDENTS UNION

Upon enrolment at Cardiff Met, you will automatically become a member of Cardiff Met Students' Union. The Students' Union is there to support and represent our students, to facilitate student clubs, societies and interest groups, provide students with employability opportunities, training and development and to ensure you have the best student experience possible.

#### **UMAX**

Through the UMAX initiative, the Students' Union offers our students the opportunity to attend a range of free workshops delivered by industry consultants, aimed at providing you with additional skills and training — things that can boost your CV and enhance your employability. It also includes the JobShop, which provides our students with employment opportunities both on and off campus, ranging from full-time graduate work to voluntary positions.

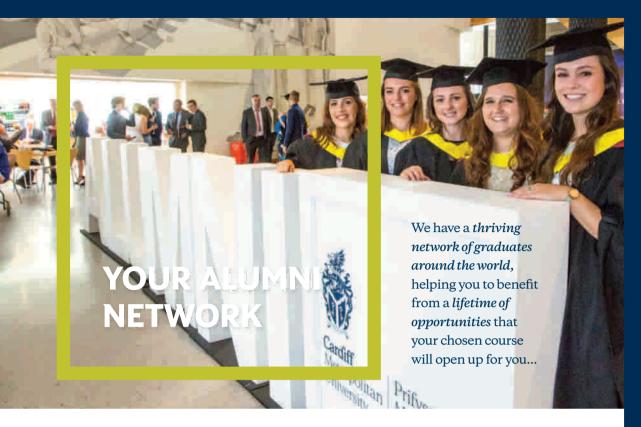

#### ATHLETIC UNION

The Athletic Union is run by the Students' Union and it provides and supports over 25 different Spots Clubs to ensure that we have something to meet every student's sporting interests.

#### **CLUBS AND SOCIETIES**

The Students' Union supports a range of Clubs and Societies for our students, providing an opportunity for you to socialise and explore shared interests, away from the demands of your studies. It's a great way to integrate with people who may not be on your course or in your year — joining a club or society can help you get more from your student experience overall.

Though *graduation* may seem like a long way away, when you complete *your degree*, you will become a member of the *Cardiff Met Alumni Network*. With a *thriving population of graduates around the world*, you can *benefit from a lifetime of opportunities* that your chosen course, and the contacts you make here will open up for you.

#### **ALUMNI BENEFITS**

#### **KEEP IN TOUCH**

You'll receive the annual alumni magazine, e-newsletters and occasional invitations to reunions and other events that may be of interest. We like to inform our alumni of the great work we are doing at Cardiff Met, and we also love to find out about what our former students are up to, so we can share in their success. We're proud of the education we provide, and of the students who come here, and that pride does not stop at your graduation ceremony!

#### **CAREERS NETWORKING**

Our network of alumni provides an unrivalled resource in industries as diverse as Education, Sports, Arts, Management, Tourism and Public Health. Through careers mentoring, informal afterwork gatherings, or more formal KTP opportunities, we are creating a truly active network of hardworking, focussed, talented people.

#### **FACILITIES**

Our alumni benefit from free use of all campus libraries and a reduced-rate to access the sports facilities, as well as continued access to the Careers service. We encourage you to participate in the Continuing Professional Development (CPD) opportunities available, and open up our professorial lectures to all alumni.

#### INTERNATIONAL FOCUS

We have a growing community of alumni overseas, in some cases led by our volunteer International Alumni Ambassadors. Wherever you're from in the world, there may be fellow alumni just around the corner!

The Alumni Office wishes you all the best in your chosen studies, and we look forward to welcoming you to our network in the future!
